From the Principal

School overview

Tamborine Mountain State School (Independent Public School) is an award winning 'School of Excellence for the Early and Primary Years of Education' and 'Inclusion'. Our objective is to promote the academic, cultural, physical and social development of each child. Students are encouraged and taught to become self-motivated learners who can work independently, co-operatively and happily to gain the skills they need to make choices about their lives, now, and in the future. At Tamborine Mountain State School, we place an emphasis on every student's creativity and achievement. We give students many opportunities to participate in many extra-curricular activities.

Tamborine Mountain State School has a whole school focus on achievement and success in academic, sporting, arts and cultural programs. Tamborine Mountain State School has a whole school focus on achievement and success in academic, sporting, arts and cultural programs. We have an award winning Chorale, Choir, Band and Indigenous program. TMSS boasts specialist classrooms for Digital Technologies, Science, Music, Instrumental Music and Dance. As Principal I am extremely passionate about celebrating the successes of our young people and our staff. My expectations as principal are clear: My teachers will be explicit with their teaching and I will ensure every child in every classroom feels safe and is learning every day. I have an unrelenting focus on student improvement. My staff and I are committed to know each student as an individual. Where they've come from, where they are today and where or what they want to be in the future. We pride ourselves on knowing the whole child, rather than just the student. I believe every child is unique and has something to contribute to our school and community. For some students their skill or talent is immediately apparent, for others it takes a little time to be revealed. I look forward to working with staff and parents to nurture and showcase their talents. Personal and professional values are extremely important to me. Tamborine Mountain State School staff acknowledge that education is as much about building character as it is about equipping students with specific skills to be a well-rounded citizen. Parental support is a vital element of any school's identity, and we are fortunate to enjoy a strong and close working relationship with the community. Parent assistance and involvement is welcomed in many ways - ready readers program, volunteering in the tuckshop, Learning Hub or classroom is always appreciated. We have an active Parents & Citizens' Association which aims to forge links between parents and the school, with consequent benefits to Tamborine Mountain State School students. This is our school - exceptional staff, wonderful students, dedicated parents and a supportive community. Mr Smith PRINCIPAL

The [class size](#) targets for composite classes are informed by the relevant year level target. Where composite classes exist across cohorts (e.g. year 3/4) the class size targets would be the lower cohort target.

Curriculum implementation

The P–12 curriculum, assessment and reporting framework specifies the curriculum, assessment and reporting requirements for all Queensland state schools' principals and staff delivering the curriculum from Prep to Year 12. Further information on school implementation of the framework is available at <https://education.qld.gov.au/curriculum/stages-of-schooling/p-12>.

Extra-curricular activities

Queensland state schools provide a wide range of subjects and extra curricula activities such as sport, art, music and school camps. Further information can be found here <https://www.qld.gov.au/education/schools/information/programs>.

How information and communication technologies are used to assist learning

Information and communication technologies (ICT) are an important part of contemporary schooling. The Australian Curriculum includes ICTs as a general capability across all learning areas, as well as Digital Technologies as a specific learning area. Further information on models used by schools to assist learning is available at <https://education.qld.gov.au/parents-and-carers/school-information/student-ict-device-programs/one-to-one-models>.

Social climate

Overview

Each Queensland state school develops and enacts policies to support an integrated approach to behaviour, learning and teaching.

Our Student Code of Conduct is our school's behaviour policy, with information about school rules, consequences and processes for addressing bullying and the use of technology. A copy of this is available on our school website.

Further information is also available at <https://www.qld.gov.au/education/schools/health>.

Parent and community engagement

Our approach to engaging with parents and the community is aligned to the departments Parent and community engagement framework. The framework helps students, schools, parents and the community to work together to maximise student learning and wellbeing. Research shows parent and community engagement that is effectively focused on student learning can deliver powerful outcomes. Further information is available at <https://education.qld.gov.au/parents-and-carers/community-engagement>

Respectful relationships education programs

Our school has implemented the Respectful relationships education program (RREP) as part of the broad multi-departmental Queensland Government approach to ending domestic and family violence.

The RREP is a Prep to Year 12 prevention program that focuses on influencing behavioural change to build a culture based on equality and respect in our students, staff, parents and wider community, Students are provided opportunities to explore social and emotional learning in self-awareness, self-management, social awareness, relationships, ethics, values, social norms, gender roles, stereotypes, human rights, risk and responsible decision-making. A growing body of evidence shows that social and emotional learning of this nature leads to:

- improved social and emotional skills, self-concept, bonding to school and classroom behaviour
- less disruptive classroom behaviour, aggression, bullying and delinquent acts
- reduced emotional distress such as depression, stress or social withdrawal.

Further information is available at <https://education.qld.gov.au/curriculum/stages-of-schooling/respectful-relationships>

School disciplinary absences

Cancellations of enrolment	0	0	0

Note:

School disciplinary absences (SDAs) are absences enforced by a school for student conduct that is prejudicial to the good order and management of the school.

Environmental footprint

Reducing this school's environmental footprint

Environmental education has been a feature of Queensland schools for more than 30 years. In many schools it has been creatively and proactively incorporated into the curriculum in each phase of learning, and is also reflected in the school's facilities and in the actions of its principals, teachers and students.

Table 7: Environmental footprint indicators for this school

Utility category	2016–2017	2017–2018	2018–2019
Electricity (kWh)	136,506	143,899	158,842
Water (kL)			

Note:

Consumption data is compiled from sources including ERM, Ergon, CS Energy reports and utilities data entered into OneSchool* by schools. The data provides an indication of the consumption trend in each of the utility categories which impact on this school's environmental footprint.

*OneSchool is the department's comprehensive software suite that schools use to run safe, secure, sustainable and consistent reporting and administrative processes.

Qualification of all teachers

The Queensland College of Teachers (QCT) is responsible for ensuring that teaching in Queensland schools is performed by an appropriately qualified person, that has successfully completed either -

- (a) a four-year initial teacher education program including teacher education studies of at least one year (e.g. a Bachelor of Education, or a double Bachelor degree in Science and Teaching) or
- (b) a one-year graduate initial teacher education program following a degree (e.g. a one-year Graduate Diploma of Education (Secondary) after a three-year Bachelor degree) or
- (c) another course of teacher education that the QCT is reasonably satisfied is the equivalent of (a) or (b). These are considered on a case-by-case basis.
