Security message

Flexischools uses the Braintree service by PayPal to ensure the security and privacy of your credit card information. In conjunction with PayPal, we provide a secure environment for the transfer of your confidential data from your browser to our financial institution using industry standard encryption technology. For automated Top Ups, your credit card details are held only by PayPal using the latest encryption technology. They are not stored with Flexischools and are not re-transmitted at any time.

11. Select to “Pay” the exact order amount or “Top Up” your account

Using the Flexischools Account is faster and saves on fees

If you are using a credit/debit card or PayPal account to pay for each order, you might want to consider topping up your account to save on payment surcharges and to have a faster checkout experience.
